

# Irene's Place

Welcome to Irene's Place Restaurant. Who's Irene? She's my late Mom and she showed me how to cook so I named this diner in her honour. We prepare our meals with basic ingredients just like Mom used to do. All products are fresh, home-made, without MSG. Our daily specials feature genuine local recipes from real Moms, and our soups are made in our kitchen from scratch. The desserts are made right here too. Even our jams are home-made. Enjoy your meal.
